

Submitter: Christine Whitby  
On Behalf Of: Housing providers  
Committee: Senate Committee On Housing and Development  
Measure: SB611

Asalanlord I keep this whole town afloat; hardware stores, appliances, tradesmen, insurance companies and taxes. Wages need to go up and companies should not be allowed to fire people from their jobs. That's what your doing to us, not letting us run our business. Make it illegal to lay off any employee.
