Committee: Senate Committee On Housing and Development

Measure: SB611

Please vote YES on S611

I am a legally blind 78 year old widow living on Social Security living in Tigard. The rent has increased yearly to the point where I will no longer be able to live here in the future if it continues despite making more and more budget sacrifices. Please keep the cap on rate increases to a reasonable one. We older citizens need your support!

Thanks and please vote YES on S 611

Sincerely,

Marcia Sugg
