

Submitter: Ronna Friend
On Behalf Of:
Committee: Senate Committee On Rules
Measure: SB1087

Hello,

I am writing to oppose this measure. There are already provisions that allow the sale of food through farm stands, etc. and they are appropriately limited to ensure that the income from food sales is subordinate to income from the sale of farm crops. This proposal if adopted would allow a commercial activity that is not directly connected to agricultural production, which is the basis of farmland.

Thank you.
