

Submitter: Julie OBriant
On Behalf Of: Corvallis School District
Committee: Joint Committee On Ways and Means
Measure: SB5506

4/13/23

Dear Joint Committee on Ways and Means,

I have been a Classified Employee for the Corvallis Unified School District for over 8 years. For the last 4 years, I have worked in an Alternative High School as an Administrative Assistant. Though I only work 5 hours a day I have many responsibilities. Besides helping to run the main office, my responsibilities include Attendance, Health Room Assistant, SPED Secretary and District Tutor Coordinator to name a few. I recently found out that due to budget cuts my school will have to let me go. Really? These jobs I perform are essential. I am not sure how they will get done without me. Please approve the measure that will ensure jobs like mine continue to be funded and I can continue to support the high needs students that I work with and care about.

Thank you for taking the time to read my testimony.

Sincerely,

Julie O'Briant
