ISSUES DISCUSSED:

EFFECT OF AMENDMENT:

No amendment.

BACKGROUND:

A notary public is an individual commissioned to perform a notarial act by the Secretary of State (SOS), including taking an acknowledgment; administering an oath or affirmation; taking a verification on oath or affirmation; witnessing or attesting a signature; certifying or attesting a copy; and making, noting, or recording a protest of a negotiable instrument. The term of a commission is four years.

Under current law, an applicant for a commission as a notary public must meet certain qualifications and pass a test administered by the SOS. New applicants must complete a course of study offered by the SOS, or an entity approved by the SOS, before taking the test. Currently, the SOS offers self-paced online training through Workday, basic and advanced instructor-led webinar trainings, and in-person trainings.
