

# House Committee on Rules

Mariana Ruiz-Temple, State Fire Marshal

Mike Shaw, Deputy State Forester

February 13, 2024

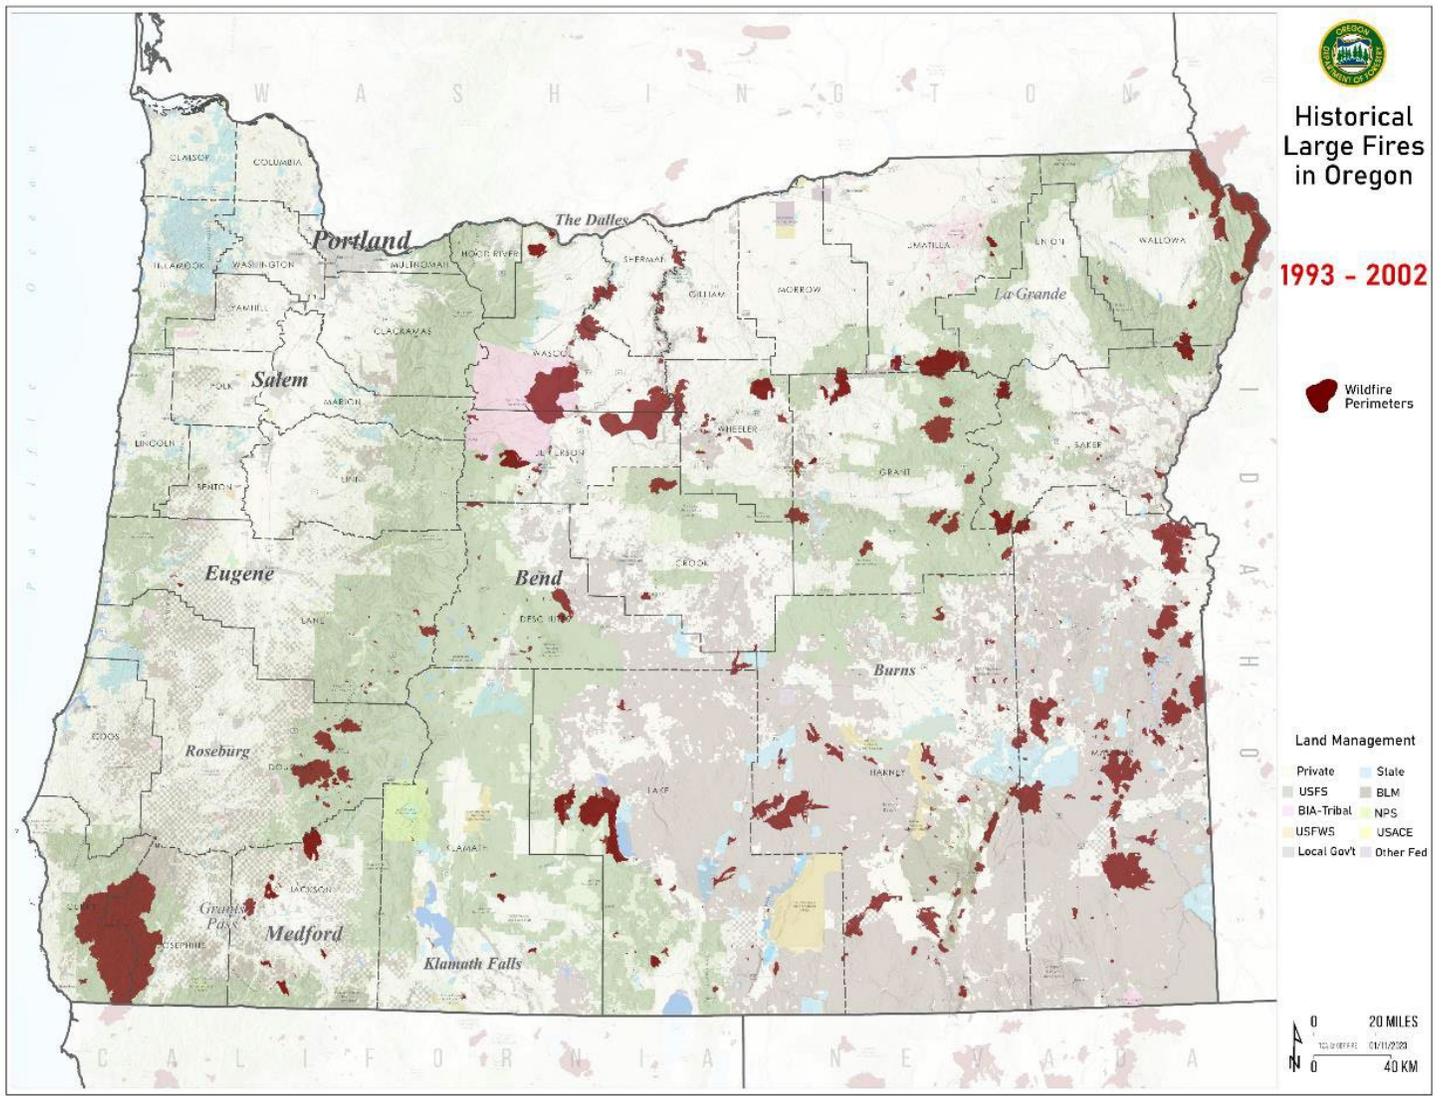

# The Growing Wildfire Crisis

- In the US since 2000:
  - Nearly 2,000 communities threatened by wildfire
  - Close to 100,000 structures destroyed
- 246% increase in structure loss (1999-2009 vs. 2010-2020)

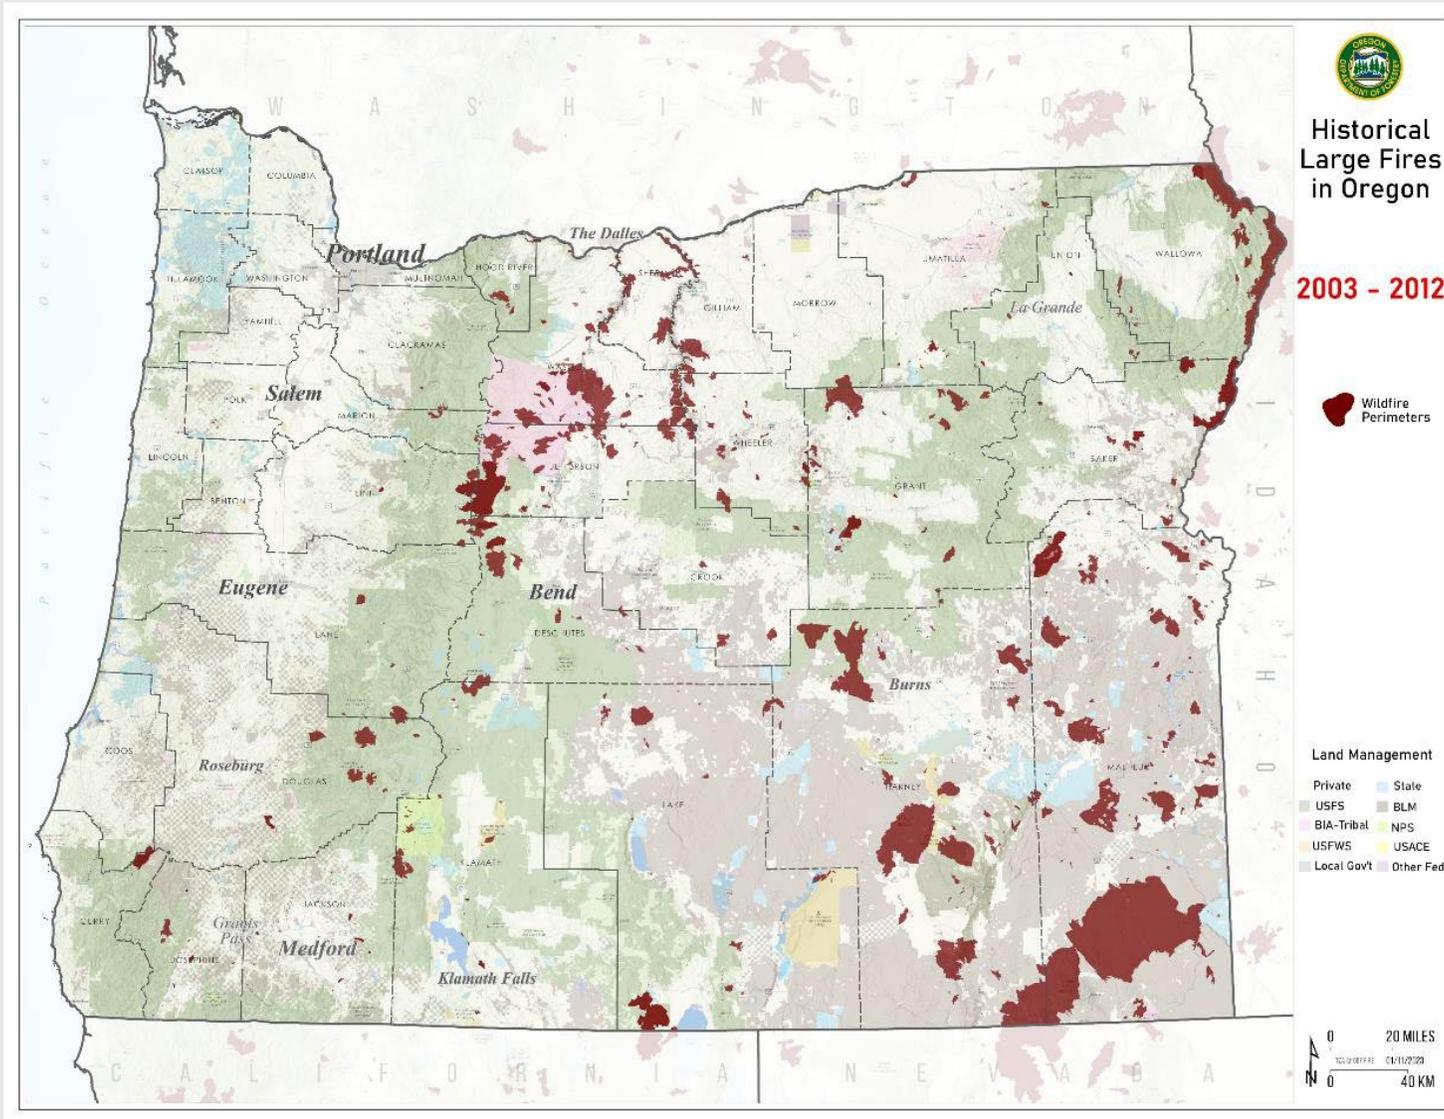

Fire Season	Structures Lost
2020	3,823 structures lost, 2,267 primary residences.
2021	421 structures lost, 166 primary residences. *
2022	10 structures lost, 2 primary residences. *
2023	127 structures lost, 50 primary residences.

\*Data above is only from fires under OSFM command.
