### **Emergency Clause (Section 91)**

- Declares an emergency, effective on passage.

### **BACKGROUND:**

In November 2020, Oregon voters passed Ballot Measure 110, also known as the Drug Addiction and Treatment Recovery Act, approving two shifts in how the state deals with the use of illegal drugs. First, the measure reduces penalties for drug possession, making Oregon the first state to decriminalize the personal possession of illegal drugs. Secondly, any savings achieved from the cost of enforcing criminal drug possession penalties are combined with marijuana sales revenue to fund a new drug addiction treatment and recovery grant program. Senate Bill 755 (2021) modified some of the requirements of Ballot Measure 110, including establishing Behavioral Health Resource Networks (BHRNs), which are a group of organizations that partner to provide substance use services free of charge to individuals seeking care. The measure required a BHRN to be established in each county and tribal area in the state.
