**ontheflynatedog** We are serving kids and families who have hit the bottom hard.

This week the Dad took time off work, took our kids to get his kids out of an extremely abusive situation and started the process of turning his life around.

Kids, no school in 2 years, months with no electricity, no food and so much more that we cannot share.

One more day with them...  
It's been life changing for them and our Team.

We get to invest our love, time, care, knowledge, and resources in both Dad & Kids.

This week our Team:  
Took them swimming at the YMCA, Target for groceries, Starbucks, out for meals, Get Air - a trampoline, Arcade Games, & Laser Tag.

Spent hours pouring into and listening to Dad and the kids, laughed, cried with the kids. Where we could give them clear type directions and love.

Over a three day period, our Team invested our resources in giving Dad gas money. We will give him \$250.00 for a loan he took out to get his kids, \$200.00 he has for work, \$100.00 more for gas and \$200.00 to help him get home. Giving \$750.00 for Dad & Kids.

\$800.00 we invested so far + \$750.00 to give him a total of \$1,550.00

IF YOU WOULD LIKE TO HELP / INVEST WE WILL GIVE HIM A HOME WITH THE FIRST \$750.00 BEFORE WE ASK YOU TO HELP WITH THE OTHER \$800.00.

1. Thank you for your PRAYERS
