Good morning, Belit:

That sounds like a good plan. Am I correct that the only guest would be Greg from OYA? We can reach out to him and indicate that today is a closed meeting.

I am in Columbus, Ohio today – but will be leading and participating in the meeting remotely.

Thanks,

Ned Clements

Good Morning Ned and Nathan

I have been working through the Senators questions with our communications folks. We had a meeting last night and there a few things we should talk about overall I feel like things are positive from the ODHS perspective. I would like to suggest we don't have guests today who are not part of your contract or we meet before the meeting?

Thank you in advance
Belit
