**Government Unit(s) Affected:** Association of County Clerks, Secretary of State

**Summary of Fiscal Impact**

This measure has an indeterminate impact for the office of the Secretary of State and county clerks- see explanatory analysis.

**Measure Description**

This measure requires that candidates for the Supreme Court, Court of Appeals, Oregon Tax Court, and circuit court, if they are incumbents, to have the ballot indicate whether the person was elected or appointed in this position.

**Fiscal Analysis**

The total fiscal impact of this measure is indeterminate. There may be costs for Secretary of State (SOS) and county clerks to update software to denote if an incumbent is elected or appointed. SOS anticipates this work can be done using existing resources. County clerks currently have an indeterminate impact for this work, as the software updates needed are unknown at this time.

**Relevant Dates**

The measure takes effect on January 1, 2026.
