

SUBCOMMITTEE RECOMMENDATION

HB 4153 Relating to artificial intelligence

To: Ways and Means Full Committee
From: General Government Subcommittee
Carrier: Senator Campos

HB 4153 creates the 14-member Task Force on Artificial Intelligence to examine and identify terms and definitions related to artificial intelligence that are commonly used and understood in technology-related fields. No later than December 1, 2024, the task force must submit a report to the interim committee on information management and technology that includes recommendations for terms and definitions that may be used for state legislation.

The measure has a minimal fiscal impact. Members of the task force who are not members of the Legislative Assembly serve as volunteers and are not eligible for compensation or expense reimbursement. The Legislative Policy and Research Office will support the task force with existing staff.

The measure takes effect upon passage and the task force sunsets on January 1, 2025.

The General Government Subcommittee recommends HB 4153 be reported out do pass.
