SUMMARY

Digest: The Act permits a treatment facility to admit a minor for inpatient substance use disorder treatment for up to 14 days when the parent consents to treatment but the minor does not. The Act directs the OHA to adopt rules setting out the criteria and procedure for admission when the minor objects or the length of proposed treatment is more than 14 days. The Act requires health benefit plans to cover inpatient treatment for a minor's cannabis use under certain conditions. The Act requires OHA to set up a short-term program to test a way to help people with drug addiction. The Act requires the program to allow people to call the mental health hotline and get treatment right away for drug addiction. The Act directs the OHA to convene a group to give advice to the OHA. The Act requires the group to suggest to OHA how to set up a program to allow EMTs who are licensed in another state to get a license in this state. The Act requires the OHA to set up the program and begin issuing licenses by a certain date. The Act takes effect when the Governor signs it. (Flesch Readability Score: 61.2).

Permits the director of a treatment facility to admit a minor for inpatient substance use disorder diagnosis, evaluation and treatment for up to 14 days with parental consent when the minor objects to the admission. Directs the Oregon Health Authority to adopt rules setting forth criteria and procedure for admission when the minor objects to the admission or the director of the treatment facility recommends a longer period of treatment. Permits the treatment facility to disclose information regarding the minor's treatment to the minor's parent or guardian.

Requires the Oregon Health Authority to establish a virtual opioid dependency pilot program to provide immediate intervention and a referral to treatment to callers to the 9-8-8 hotline by a qualified health care provider. Gives health care providers civil immunity for actions taken in good faith. Sunsets January 2, 2026.

Requires health benefit plans to cover inpatient treatment for cannabis use by a minor under certain conditions.
