"SECTION 1. Section 2 of this 2024 Act is added to and made a part of ORS chapter 197A.

"SECTION 2. (1) Within an urban growth boundary, a local government shall allow a residential treatment facility, as defined in ORS 443.400, and may not require a zone change or conditional use permit for the property on which the facility is sited if the property:

"(a) Is owned by a public body, as defined in ORS 174.109; or

"(b) Is zoned:

"(A) For commercial uses;

"(B) As public lands, not including lands for park land; or

"(C) For industrial uses, provided that the property is:

"(i) Publicly owned;

"(ii) Adjacent to lands zoned for residential uses; and

"(iii) Not specifically designated for heavy industrial uses.

"(2) This section does not apply on lands where the local government determines that:

"(a) The residential facility cannot be adequately served by water, sewer, storm water drainage or streets, or will not be adequately served at the time that development on the property is complete;

"(b) The property is within a 100-year floodplain; or

"(c) The development of the property is constrained by land use regulations based on statewide land use planning goals relating to:

"(A) Natural disasters and hazards; or

"(B) Natural resources, including air, water, land or natural areas, but not including open spaces or historic resources.

"(3) This section does not trigger any requirement that a local government consider or update an analysis as required by a statewide land use planning goal relating to economic development."
