

Senate Bill 1507

Printed pursuant to Senate Interim Rule 213.28 by order of the President of the Senate in conformance with pre-session filing rules, indicating neither advocacy nor opposition on the part of the President (at the request of Senate Interim Committee on Health Care)

SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure **as introduced**. The statement includes a measure digest written in compliance with applicable readability standards.

Digest: The Act directs the OHA to take steps to take care of hospitals' problems in finding places to send certain patients who are ready to leave the hospital. (Flesch Readability Score: 60.5).

Requires the Oregon Health Authority to take steps to address challenges faced by hospitals in discharging patients with complex needs to post-acute care settings.

A BILL FOR AN ACT

1
2 Relating to challenges faced by hospitals in discharging patients with complex needs to post-acute
3 care settings.

4 **Be It Enacted by the People of the State of Oregon:**

5 **SECTION 1. The Oregon Health Authority shall take all steps practicable to address the**
6 **challenges faced by hospitals in discharging patients with complex health or behavioral**
7 **health needs to appropriate post-acute care settings. The challenges include, but are not**
8 **limited to:**

9 (1) **Hospital capacity and workforce shortages;**

10 (2) **The need to screen patients to determine their financial needs and service needs;**

11 (3) **The limited reimbursement paid by the authority for skilled nursing care;**

12 (4) **The lack of placement options for patients with complex needs; and**

13 (5) **The lack of available public guardians for patients who are incapacitated.**
