Digest: The Act says that public bodies may not have certain terms in some types of construction contracts. (Flesch Readability Score: 75.1).

Provides that a public body may not include certain provisions relating to payment of defense costs in a contract with a person or entity providing architecture, landscape architecture, engineering, photogrammetric mapping, transportation planning, land surveying services or related services.

A BILL FOR AN ACT
Relating to construction agreements; creating new provisions; and amending ORS 30.140.

Be It Enacted by the People of the State of Oregon:

SECTION 1. ORS 30.140 is amended to read:
30.140. (1) Except to the extent provided under subsection (2) of this section, any provision in a construction agreement that requires a person or that person's surety or insurer to indemnify another against liability for damage arising out of death or bodily injury to persons or damage to property damages caused in whole or in part by the negligence of the indemnitee is void.

(2) This section does not affect any provision in a construction agreement that requires a person or that person's surety or insurer to indemnify another against liability for damage arising out of death or bodily injury to persons or damage to property to the extent that the death or bodily injury to persons or damage to property arises out of damages to the extent that the damages are caused by the fault of the indemnitee, or the fault of the indemnitee's agents, representatives or subcontractors.

(3) A public body as defined in ORS 174.109, including a public body acting as part of an intergovernmental entity formed with another state or with a political subdivision of another state, may not include a requirement in a contract with a person or entity providing architecture, landscape architecture, engineering, photogrammetric mapping, transportation planning, land surveying services or related services, requiring that the person or entity pay for attorney fees, expert or investigation expenses or other defense costs incurred by the public body or intergovernmental entity in defending against a claim for professional negligence and relating to the professional services provided by the person or entity providing architecture, landscape architecture, engineering, photogrammetric mapping, transportation planning, land surveying services or related services, except to the extent that the person or entity's liability or fault is first determined by adjudication or alternative dispute resolution or otherwise resolved by settlement agreement, and not to exceed the propor-

tionate fault of the person or entity. A contractual provision that violates this subsection is unenforceable.

[(3)] (4) As used in this section, “construction agreement” means any written agreement for the planning, design, construction, alteration, repair, improvement or maintenance of any building, highway, road excavation or other structure, project, development or improvement attached to real estate including moving, demolition or tunneling in connection therewith.

[(4)] (5) This section does not apply to:

(a) Any real property lease or rental agreement between a landlord and tenant whether or not any provision of the lease or rental agreement relates to or involves planning, design, construction, alteration, repair, improvement or maintenance as long as the predominant purpose of the lease or rental agreement is not planning, design, construction, alteration, repair, improvement or maintenance of real property; or

(b) Any personal property lease or rental agreement.

[(5)] (6) No provision of this section shall be construed to apply to a “railroad” as defined in ORS 824.200.

SECTION 2. The amendments to ORS 30.140 by section 1 of this 2024 Act apply to construction agreements entered into or renewed on or after the effective date of this 2024 Act.
