14 “(iii) Is reemployed by the covered employer within 180 days of separation
15 from employment; or

16 “(B)(i) Is eligible to take leave under subsection (1) [*or (2)*] of this section
17 at the beginning of a temporary cessation of scheduled hours of 180 days or
18 less; and

19 “(ii) Returns to work at the end of the temporary cessation of scheduled
20 hours of 180 days or less.

21 “(b) Any family leave taken by the employee within any one-year period

25 a covered employer prior to a break in service due to a separation from em-

27 the employee when the employee is reemployed by the employer within 180
28 days of separation from employment or when the employee returns to work
29 at the end of the temporary cessation of scheduled hours of 180 days or less.

30 **“SECTION 17.** ORS 659A.171 is amended to read:

1 “659A.171. (1) After returning to work after taking family leave under the
2 provisions of ORS 659A.150 to 659A.186, an eligible employee is entitled to
3 be restored to the position of employment held by the employee when the
4 leave commenced if that position still exists, without regard to whether the
5 employer filled the position with a replacement worker during the period of
6 family leave. If the position held by the employee at the time family leave
7 commenced no longer exists, the employee is entitled to be restored to any
8 available equivalent position with equivalent employment benefits, pay and
9 other terms and conditions of employment. If an equivalent position is not
10 available at the job site of the employee’s former position, the employer shall
11 offer the employee an equivalent position at a job site located within 50
12 miles of the job site of the employee’s former position, if such a position is
13 available. If equivalent positions are available at multiple job sites, the em-
14 ployer shall first offer the employee the position at the job site that is
15 nearest to the job site of the employee’s former position.

16 “(2) Except for employee benefits used during the period of leave, the
17 taking of family leave under ORS 659A.150 to 659A.186 shall not result in the
18 loss of any employment benefit accrued before the date on which the leave
19 commenced.

20 “(3) This section does not entitle any employee to:

21 “(a) Any accrual of seniority or employment benefits during a period of
22 family leave; or

23 “(b) Any right, benefit or position of employment other than the rights,
24 benefits and position that the employee would have been entitled to had the
25 employee not taken the family leave.

26 “(4)(a) Before restoring an employee to a position under subsection (1) of
27 this section, an employer may require that the employee receive certification
28 from the employee’s health care provider that the employee is able to resume
29 work. Certification under this subsection may only be required pursuant to
30 a uniformly applied practice or policy of the employer.

1 “(b) This subsection does not affect the ability of an employer to require
2 an employee during a period of family leave to report periodically to the
3 employer on the employee’s status and on the employee’s intention to return
4 to work.

5 “(5)(a) Except as provided in paragraph (b) of this subsection, benefits are
6 not required to continue to accrue during a period of family leave unless
7 continuation or accrual is required under an agreement of the employer and
8 the employee, a collective bargaining agreement or an employer policy.

9 “(b) If the employee is provided group health insurance, the employee is
10 entitled to the continuation of group health insurance coverage during the
11 period of family leave on the same terms as if the employee had continued
12 to work. If family member coverage is provided to the employee, family
13 member coverage must be maintained during the period of family leave. The
14 employee must continue to make any regular contributions to the cost of the
15 health insurance premiums.

16 “(c) Notwithstanding ORS 652.610 (3) and except as provided in paragraph
17 (b) of this subsection, if the employer is required or elects to pay any part
18 of the costs of providing disability, life or other insurance coverage for an
19 employee during the period of family leave that should have been paid by the
20 employee, the employer may deduct from the employee’s pay such amounts
21 upon the employee’s return to work until the amount the employer advanced
22 toward the payments is paid. In no event may the total amount deducted for
23 insurance under the provisions of this subsection exceed 10 percent of the
24 employee’s gross pay each pay period.

25 “(6) Notwithstanding ORS 652.610 (3), if the employer pays any part of the
26 costs of health, disability, life or other insurance coverage for an employee
27 under the provisions of subsection (5) of this section, and the employee does
28 not return to employment with the employer after taking family leave, the
29 employer may deduct amounts paid by the employer from any amounts owed
30 by the employer to the employee, or may seek to recover those amounts by

1 any other legal means, unless the employee fails to return to work because
2 of[:]

3 “[*(a) A continuation, reoccurrence or onset of a serious health condition*

13 may require that the employee continue on family leave until the end of the
14 term.

15 “[5] (2) The provisions of this section apply only to an employee who is
16 employed principally in an instructional capacity by a public kindergarten,

24 “(2) ORS 659A.150 to 659A.186 shall be construed to the extent possible
25 in a manner that is consistent with any similar provisions of the federal
