29 "<u>SECTION 10.</u> ORS 18.785 is amended to read:

30 "18.785. [(1) Except as provided in this section, if a financial institution

determines from a garnishment account review conducted under ORS 18.784 (1) that one or more payments described in ORS 18.784 (3) have been deposited into the debtor's account by direct deposit or electronic payment during the lookback period described in ORS 18.784 (2), and there is a positive balance in the account at the time the garnishment account review is conducted, the financial institution shall:]

"[(a) Immediately calculate and establish the amount in the debtor's account that is not subject to garnishment and ensure that the debtor has full
customary access to that amount; and]

10 "[(b) Issue a notice to the account holder in substantially the form set forth 11 in ORS 18.847.]

"[(2) A financial institution shall issue the notice required by this section directly to the account holder or to a fiduciary who administers the account and receives communications on behalf of the account holder.]

15 "[(3) The notice required by this section must be sent separately to the 16 debtor and may not be included with other materials being provided to the 17 debtor by the financial institution that do not relate to the garnishment.]

¹⁸ "[(4) The notice required by this section must be sent to the account holder ¹⁹ within three business days after the financial institution completes the ²⁰ garnishment account review required by ORS 18.784 (1).]

"[(5) A financial institution shall perform the calculation described in subsection (1) of this section for each account of the account holder. However, the financial institution may issue a single notice under this section for multiple accounts of the same account holder.]

²⁵ "[(6) Issuance of a notice under this section does not constitute the giving ²⁶ of legal advice and a financial institution is not obligated to provide legal ²⁷ advice by reason of issuing a notice required by this section.]

28 "(1) As used in this section:

"(a) 'Base protected account balance' means the amount not subject
to garnishment calculated under subsection (2)(j) of this section.

1 "(b) 'Garnishment account review' means the review conducted 2 under subsection (2)(c) of this section.

"(c) 'Lookback period' means the period described in subsection
4 (2)(d) of this section.

(2)(a)(A) If a financial institution receives a writ of garnishment $\mathbf{5}$ for a debtor that has an account with the financial institution, the 6 financial institution shall first determine whether the writ of 7 garnishment includes a Notice of Right to Garnish Federal Benefits 8 from the United States Government or from a state child support 9 enforcement agency, as provided in 31 C.F.R. part 212, or is attached 10 to an attestation that a debt arises out of a child support or spousal 11 support obligation or a judgment that contains a money award of 12 restitution. 13

"(B) If the writ of garnishment includes a Notice of Right to
Garnish Federal Benefits, the provisions of paragraphs (b) to (j) of this
subsection do not apply to the writ of garnishment and the financial
institution shall proceed on the garnishment as provided in ORS 18.600
to 18.850.

"(C) If the writ of garnishment is attached to an attestation that a debt arises out of a child support or spousal support obligation or a judgment that contains a money award of restitution, paragraphs (b), (c)(A), (e), (f) and (j) of this subsection do not apply to the writ of garnishment and the financial institution shall conduct a garnishment account review as provided in paragraphs (c)(B), (d) and (g) to (i) of this subsection.

"(D) If the writ of garnishment does not include a Notice of Right to Garnish Federal Benefits or is not attached to an attestation that a debt arises out of a child support or spousal support obligation or a judgment that contains a money award of restitution, the financial institution shall immediately calculate and establish the total amount 1 in all of the accounts the debtor has with the financial institution.

"(b) If the total of the amounts in all of a debtor's accounts with the financial institution does not exceed the base protected account balance, the financial institution shall provide full customary access to the amounts in the debtor's accounts with the financial institution. "(c) If a financial institution finds under paragraph (a)(C) of this

subsection that the total amount in all of a debtor's accounts with the
financial institution exceeds the base protected account balance, the
financial institution shall:

"(A) Provide full customary access to the base protected account
 balance; and

"(B) Conduct a garnishment account review to determine whether
one or more of the payments listed in this subparagraph were made
to any of the debtor's accounts by direct deposit or electronic transfer
within the lookback period. The payments a financial institution must
look for during a garnishment account review are:

17 "(i) Federal benefit payments;

"(ii) Payments from a public or private retirement plan as defined
in ORS 18.358;

"(iii) Public assistance payments or medical assistance, as defined
 in ORS 414.025, from the State of Oregon or an agency of the State of
 Oregon;

23 "(iv) Unemployment compensation payments from the State of
24 Oregon or an agency of the State of Oregon;

"(v) Black lung benefits payments from the United States Depart ment of Labor; and

27 "(vi) Workers' compensation payments from a workers' compen 28 sation carrier.

"(d) The lookback period during which a financial institution must
 determine whether a payment listed in paragraph (c) of this subsection

1 was made to a debtor's account with the financial institution:

2 "(A) Ends on the day before the day on which the financial insti-3 tution conducts the garnishment account review; and

4 **"(B) Begins:**

"(i) On the day in the second calendar month preceding the month
in which the financial institution conducts the garnishment account
review that has the same number as the day on which the lookback
period ends; or

9 "(ii) On the last day of the second calendar month preceding the 10 month in which the financial institution conducts the garnishment 11 account review, if the day described in sub-subparagraph (i) of this 12 subparagraph does not exist.

"(e)(A) If a financial institution determines after conducting a garnishment account review that a payment listed in paragraph (c)(B) of this subsection was made by direct deposit or electronic transfer to an account the debtor has with the financial institution within the lookback period, the financial institution shall provide the debtor with full customary access to the sum of the following amounts, which are not subject to garnishment:

20 "(i) The base protected account balance; and

"(ii) The amount by which the sum of all payments listed in paragraph (c) of this subsection that were made by direct deposit or electronic transfer to the debtor's accounts with the financial institution within the lookback period exceeds the base protected account balance.

"(B) The amounts in subparagraph (A) of this paragraph are calculated as of the effective date and time of the garnishment, but before the financial institution conducts the garnishment account review, and are not affected by withdrawals of funds by the debtor after the effective date and time of the garnishment. "(f) A financial institution that conducts a garnishment account review under paragraph (c) of this subsection shall proceed to deliver to the garnishor under ORS 18.600 to 18.850 any amount that exceeds an amount not subject to garnishment described in paragraph (e) of this subsection.

"(g) If the writ of garnishment is attached to an attestation that a 6 debt arises out of a child support or spousal support obligation or a 7 judgment that contains a money award of restitution, the financial 8 institution shall conduct a garnishment account review and provide 9 the debtor with full customary access to all payments listed in para-10 graph (c)(B) of this subsection that were made by direct deposit or 11 electronic transfer to an account the debtor has with the financial 12 institution within the lookback period. 13

"(h) A financial institution shall perform a garnishment account review only one time for a specific garnishment. If the same writ of garnishment is served on a financial institution more than once, the financial institution may not perform a garnishment account review or take any other action relating to the garnishment based on the second and any subsequent service of the writ of garnishment.

"(i) The provisions of this subsection do not affect a debtor's ability
to claim any exemption that otherwise is available to the debtor under
law for any amounts in an account in a financial institution.

"(j) The initial base protected account balance is the combined total 23of \$2,500 in all of a debtor's accounts in the financial institution. The 24State Court Administrator shall index the base protected account bal-25ance amount each year on or before July 1 to reflect increases or de-26creases in the cost of living for the previous calendar year, based on 27changes in the Consumer Price Index for All Urban Consumers, West 28Region (All Items), as published by the Bureau of Labor Statistics of 29 the United States Department of Labor or a successor agency. The 30

State Court Administrator shall publish the adjusted exemption on the 1 Judicial Department website. In adjusting the exempted amount, the $\mathbf{2}$ State Court Administrator shall round to the nearest \$100, but shall 3 use the unrounded adjusted amount to calculate the exempted amount 4 for the succeeding year. The new exempted amount becomes effective $\mathbf{5}$ on July 1 of the year in which the State Court Administrator makes 6 the adjustment and becomes the amount that the State Court Ad-7 ministrator must adjust in the succeeding year. 8

"(3) A financial institution that conducts the garnishment account 9 review described in subsection (2)(c) of this section shall, within three 10 business days after conducting the garnishment account review, notify 11 the debtor, or a fiduciary that administers the debtor's accounts and 12 receives communications on behalf of the debtor, of the financial 13 institution's actions. The financial institution shall provide the notice 14 in substantially the form specified in ORS 18.847 and must send the 15notice to the debtor or fiduciary separately, not as part of any com-16 munications unrelated to the garnishment that the financial institu-17 tion provides to the debtor or fiduciary. 18

"(4) A financial institution must perform the calculations described in subsection (2)(c) of this section for each of the debtor's accounts with the financial institution, but may issue a single notice under subsection (3) of this section for multiple accounts of the same account holder.

"(5) Issuing a notice under subsection (3) of this section does not
constitute giving legal advice. A financial institution is not obligated
to provide legal advice by reason of issuing a notice under subsection
(3) of this section.

(6) The provisions of subsection (2)(c), (d), (e) and (f) of this section apply only to payments that a financial institution can identify, from information the payer transmits to the financial institution, as one of the types of payments listed in subsection (2)(c)(B) of this section.

3 "SECTION 11. ORS 18.787 is amended to read:

"18.787. A financial institution is not liable to any account holder,
garnishor or other financial institution, and may not be assessed any penalty, by reason of any action taken by the financial institution in good faith
under ORS [18.784 or] 18.785, including:

"(1) Delivery or refusal to deliver any funds that are not subject to
garnishment under ORS [18.784] 18.785 to a garnishor;

"(2) Providing the notice required [by this section] under ORS 18.785 to
an account holder;

"(3) Customary clearing and settlement adjustments made to a debtor's
 account that affect the balance in the debtor's account; and

"(4) Any bona fide errors that occur under ORS [18.784 or] 18.785 despite
 reasonable procedures implemented by the financial institution to prevent
 those errors.

17 "SECTION 12. ORS 18.788 is amended to read:

"18.788. A financial institution shall maintain records of account activity
and actions taken by the financial institution in response to a garnishment
that are adequate to demonstrate compliance with the requirements of ORS
[18.784 and] 18.785 for a period of not less than two years after the financial
institution receives the writ of garnishment.

²³ "SECTION 13. ORS 18.790 is amended to read:

"18.790. (1) Except as provided in subsection (4) of this section, at the time of delivery of any writ of garnishment on a financial institution or at the time a notice of garnishment is delivered to the financial institution under ORS 18.854:

"(a) A search fee of \$10 must be paid to the financial institution if the
garnishor is the Department of Revenue.

30 "(b) A search fee of \$15 must be paid to the financial institution if the

1 garnishor is a person other than the department.

"(2) A separate search fee must be paid under this section to the financial
institution for each debtor if the writ is issued for more than one debtor
under ORS 18.607 (5).

5 "(3) If the search fee required under this section is not paid:

6 "(a) The garnishment is not effective to garnish any property of the 7 debtor; and

8 "(b) The financial institution need not file a garnishee response.

9 "(4) The search fee required under this section need not be paid to a fi-10 nancial institution if the debtor is an employee of the financial institution. 11 "(5) Notwithstanding subsection (1) of this section, a financial institution 12 may enter into an agreement with any state agency authorized to garnish 13 pursuant to ORS 18.645 or 18.854 for periodic billing and payment of

14 garnishee search fees required under this section.

"(6) The right of a financial institution to receive the search fee required 15under this section does not in any way restrict or impair the right of the 16 financial institution to charge and collect an additional garnishment pro-17 cessing fee from any debtor whose property the financial institution holds, 18 or to whom the financial institution owes money. However, a financial in-19 stitution may not charge or collect a garnishment processing fee in violation 20of ORS 652.610. If a financial institution charges a garnishment processing 21fee, the financial institution may collect the fee by deducting the amount of 22the fee from any amount that the financial institution owes to the debtor. 23

²⁴ "(7) If a garnishment account review reveals that a payment **listed in** ²⁵ **ORS 18.785 (2)(c)(B)** was made by direct deposit or electronic payment to ²⁶ the debtor's account during the lookback period described in ORS [*18.784* ²⁷ (2)] **18.785 (2)(d)**, the financial institution may not charge or collect a ²⁸ garnishment processing fee under subsection (6) of this section against the ²⁹ amount that is not subject to garnishment, and may not charge or collect a ³⁰ garnishment processing fee under subsection (6) of this section against any

1	amounts in the account after the date of the garnishment account review.

17	"18.838. Instructions to garnishees must be in substantially the following
18	form:
19	"
20	INSTRUCTIONS TO GARNISHEE
21	
22	Except as specifically provided in these instructions, you must complete
23	and deliver the Garnishee Response within seven calendar days after you
24	receive the writ of garnishment. If the writ does not comply with Oregon
25	law, the writ is not effective to garnish any property of the Debtor, but you
26	still must complete and deliver the Garnishee Response. You must complete
27	and deliver the response even though you cannot determine from the writ
28	whether you hold any property or owe any debt to the Debtor. If the seventh
29	calendar day is a Saturday, Sunday or legal holiday, you must deliver your
30	response on or before the next following day that is not a Saturday, Sunday

1	or legal holiday.
2	
3	The writ is not effective, and you need not make a Garnishee Response,
4	if:
5	
6	• You do not receive the writ within 60 days after the date of issuance
7	shown on the face of the writ.
8	
9	• You do not receive an original writ of garnishment or a copy of the
10	writ.
11	
12	Statutes that may affect your rights and duties under the writ can be
13	found in ORS 18.600 to 18.850.
14	
15	NOTE: The Garnishor may be the Creditor, the attorney for the Creditor
16	or some other person who is authorized by law to issue the writ of
17	garnishment. See the writ to determine who the Garnishor is.
18	
19	STEP 1. FILL OUT THE GARNISHEE RESPONSE.
20	
21	All garnishees who are required to deliver a garnishee response must fill
22	in Part I of the Garnishee Response. Garnishees who employ the Debtor must
23	also fill in Part II of the response. You should keep a copy of the response
24	for your records.
25	
26	Completing Part I of the Garnishee Response. If you discover before you
27	deliver your response that a bankruptcy petition has been filed by or on be-
28	half of the Debtor, and the bankruptcy petition was filed after a judgment
29	was entered against the Debtor or after the debt otherwise became subject
30	to garnishment (see the date specified in the writ), you must put a check by

the appropriate statement in Part I. If a bankruptcy petition has been filed, you should not make any payments to the Garnishor unless the court orders otherwise. You need not complete any other part of the response, but you still must sign the response and deliver it in the manner described in Step 2 of these instructions.

In all other cases you must list in Part I all money and personal property of the Debtor that is in your possession, control or custody at the time of delivery of the writ. You must also list all debts that you owe to the Debtor, whether or not those debts are currently due (e.g., money loaned to you by the Debtor that is to be repaid at a later time).

If you are the employer of the Debtor at the time the writ is delivered to you, you must put a check by the appropriate statement in Part I. In addition, you must complete Part II of the response.

If you believe that you may hold property of the Debtor or that you owe a debt to the Debtor, but you are not sure, you must put a check by the appropriate statement and provide an explanation. When you find out what property you hold that belongs to the Debtor, or you find out whether you owe money to the Debtor and how much, you must prepare and deliver an amended response. You must do this even if you find out that you have no property of the Debtor or that you do not owe anything to the Debtor.

If you determine that the writ, on its face, does not comply with Oregon laws governing writs of garnishment, or if you are unable to determine the identity of the Debtor from the information in the writ, then the writ is not effective to garnish any property of the Debtor. You must put a check by the appropriate statement in Part I and provide an explanation. You still must complete the response and deliver the response in the manner described in Step 2 of these instructions.

If you have received an order to withhold income that applies to the income of the Debtor and that order has priority over the garnishment, and if compliance with the order will reduce or eliminate the money or property that you would otherwise deliver under the garnishment, you must put a check by the appropriate statement in Part I. You still must fill out the remainder of the response and deliver the response in the manner described in Step 2 of these instructions. If you employ the Debtor, you still must complete Part II of the response.

6 If you receive notice of a challenge to the garnishment before you send 7 your response, you must complete and deliver your response as otherwise 8 required by these instructions. However, see Step 3 of these instructions re-9 garding payment of money or delivery of property after receipt of notice of 10 a challenge to the garnishment.

If you owe a debt to the Debtor and the Debtor owes a debt to the holder of an underlying lien on your property, you may be able to offset the amount payable to the underlying lienholder. See ORS 18.620. You must note that you have made the offset in Part I of the response (under "Other") and specify the amount that was offset.

16

<u>Completing Part II of the Garnishee Response (employers only).</u> You must fill in Part II of the response if you employ the Debtor on the date the writ of garnishment is delivered to you, or if you previously employed the Debtor and still owe wages to the Debtor on the date the writ is delivered to you.

Wages affected. Except as provided below, the writ garnishes all wages 22that you owe to the Debtor for work performed before the date you received 23the writ, even though the wages will not be paid until a later date. The writ 24also garnishes all wages that are attributable to services performed during 25the 90-day period following the date you received the writ, even though you 26would not pay the Debtor for all or part of those services until after the end 27of the 90-day period. Wages subject to garnishment under the writ include 28all amounts paid by you as an employer, whether on an hourly, weekly or 29 monthly basis, and include commission payments and bonuses. 30

<u>Example 1:</u> Debtor A is employed by you and is paid a monthly salary on the first day of each month. You receive a writ of garnishment on July 17. The writ garnishes all wages that you owe to Debtor A for work performed on or before July 17. If Debtor A was paid on July 1 for services performed in the month of June, the writ garnishes Debtor A's salary for the period beginning July 1 and ending October 15 (90 days after receipt of the writ).

8

9 The writ does not garnish any wages you owe to a Debtor for a specific 10 pay period if:

(a) The writ is delivered to you within two business days before theDebtor's normal payday for the pay period;

(b) When the writ is delivered to you, the Debtor's wages are paid by direct deposit to a financial institution, or you use an independent contractor
as payroll administrator for your payroll; and

(c) Before the writ was delivered to you, you issued instructions to the
 financial institution or the payroll administrator to pay the Debtor for the
 pay period.

If any wages are not garnishable by reason of the issuance of instructions to a financial institution or a payroll administrator as described above, you must so note in the Garnishee Response. Thereafter, you must pay to the Garnishor all wages that are subject to garnishment that are attributable to services performed by the Debtor during the 90-day period following the date you received the writ.

25

<u>Calculation of wages subject to garnishment.</u> A Wage Exemption Calculation form is attached to the writ of garnishment. You must use this form to calculate the amount of the Debtor's wages that is subject to garnishment. You should read the instructions printed on the Wage Exemption Calculation form to determine the normal wage exemption and the minimum wage ex1 emption for each payment you make under the writ.

A Wage Exemption Calculation form must be sent with the first payment you make under the writ. For the 90-day period during which the writ is effective, you must also fill out and return a Wage Exemption Calculation form with a subsequent payment any time the initial calculation changes. Finally, you must fill out and return a Wage Exemption Calculation form with the final payment that you make under the writ.

8

<u>Payment of amount subject to garnishment.</u> Payments under the writ must
be made at the following times, unless the amount owing on the judgment
or other debt is fully paid before the final payment is made or the writ is
released:

(a) You must make a payment to the Garnishor of all wages subject to
garnishment at the time you next pay wages to the Debtor. Complete the
wage exemption computation, using the Wage Exemption Calculation form,
to determine the portion of the Debtor's wages that is subject to
garnishment. Be sure to adjust the minimum exemption amount for any
payment that covers less than a full pay period. You must include a copy
of the Wage Exemption Calculation form with this first payment.

20

Example 2: Using the facts given in Example 1, when you next make 21any payment of wages to Debtor A after you receive the writ on July 2217, you must complete the Wage Exemption Calculation form and send 23the form to the Garnishor along with all amounts determined to be 24subject to garnishment that are attributable to the period covered by 25the payment. If you pay Debtor A on August 1, the payment will be 26for all wages attributable to the period beginning July 1 and ending 27July 31. 28

29

30 (b) Unless the writ of garnishment is satisfied or released, during the

90-day period following the date you received the writ, you must pay to the 1 Garnishor all wages that are determined to be subject to garnishment $\mathbf{2}$ whenever you issue a paycheck to the Debtor. If the Debtor is paid on a 3 weekly basis, you must make payment under the writ on a weekly basis. If 4 the Debtor is paid on a monthly basis, you must make payment under the $\mathbf{5}$ writ on a monthly basis. If the amount paid to the Debtor varies from pay-6 check to paycheck, or changes at any time from the amount being paid at 7 the time the writ was delivered to you, you must perform a new wage ex-8 emption computation to determine the amount of wages subject to 9 garnishment under the writ. You must send a copy of the new Wage Ex-10 emption Calculation form with your payment to the Garnishor. 11

12

<u>Example 3:</u> Using the facts given above, as you make each subsequent payment of wages to Debtor A you must make a payment of that portion of the Debtor's wages that are subject to garnishment. If you continue to pay Debtor A on the first of each month, payments must be made on September 1 and October 1.

18

(c) Upon the expiration of the 90-day period, you must make a final payment to the Garnishor for all wages that were owing to the Debtor for the work performed by the Debtor through the 90th day following your receipt of the writ. This payment may be made at the time of the Debtor's next paycheck. You will need to complete another Wage Exemption Calculation form to determine the amount of the wages subject to garnishment.

25

<u>Example 4:</u> Using the facts given above, you must make a final payment for the wages owing to Debtor A for the period beginning October 1 and ending October 15. You may make this payment at the time you issue Debtor A's paycheck on November 1, but you must make the payment at any time you issue a paycheck to Debtor A after October

15. Be sure that in completing the wage exemption computation for the 1 final payment you adjust the minimum exemption amount to take into $\mathbf{2}$ account the fact that the period covered is only 15 days of the full month (see instructions on Wage Exemption Calculation form).

4 $\mathbf{5}$

3

Processing fee. You may collect a \$2 processing fee for each week of 6 wages, or fraction of a week of wages, for which a payment is made under 7 the writ. The fee must be collected after you make the last payment under 8 the writ. The fee must be withheld from the wages of the debtor, and is in 9 addition to the amounts withheld for payment to the Garnishor under the 10 writ or under any other writ you have received. 11

12

If you receive more than one writ of garnishment. If you receive a second 13 writ of garnishment for the same Debtor from another Garnishor, the first 14 writ will have priority for wages. The priority of the first writ lasts for the 1590-day period following delivery of that writ to you, or until the first writ 16 is paid in full, whichever comes first. In your response to the second writ, 17 you must put a check by the appropriate statement in Part II and indicate 18 the date on which the first writ will expire (90 days after the date you re-19 ceived the writ). You should make no payments under the second writ until 20expiration of the first writ. The expiration date of the second writ is 90 days 21after the date you received the second writ; the expiration date is not af-22fected by any delay in payment attributable to the priority of the first writ. 2324

STEP 2. DELIVER THE GARNISHEE RESPONSE. 25

26

You must deliver your Garnishee Response and copies of the response in 27the manner provided in this step. The response and copies may be mailed or 28delivered personally. 29

30

You must complete and deliver the Garnishee Response within seven calendar days after you receive the writ of garnishment. If the seventh calendar day is a Saturday, Sunday or legal holiday, you must deliver your response on or before the next following day that is not a Saturday, Sunday or legal holiday.

6

If you are required to hold any property under the writ or make any
payment under the writ, either at the time of making your response or later,
you must:

(a) Send the <u>original</u> of your Garnishee Response to the Garnishor at the
 address indicated on the writ under Important Addresses.

(b) Send a <u>copy</u> of your Garnishee Response to the court administrator
 at the address indicated on the writ under Important Addresses.

(c) Send a <u>copy</u> of your Garnishee Response to the Debtor if an address
 is indicated on the writ under Important Addresses.

16

If you are <u>not</u> required to hold any property under the writ or make any payment under the writ, either at the time of making your response or later, you must:

(a) Send the <u>original</u> of your Garnishee Response to the Garnishor at the
 address indicated on the writ under Important Addresses.

(b) Send a <u>copy</u> of your Garnishee Response to the Debtor if an address
is indicated on the writ under Important Addresses.

24

25 STEP 3. DELIVER THE FUNDS OR OTHER PROPERTY.

26

As long as the writ is in effect, you may be liable to the Creditor if you pay any debt or turn over any property to the Debtor except as specifically allowed by law. If you have any money or property of the Debtor in your possession, control or custody at the time of delivery of the writ, or owe any

debt to the Debtor, you must pay the money or hold the property as required
by this step. Exceptions to this requirement are listed below.

3

4 IF YOU ARE HOLDING MONEY FOR THE DEBTOR OR OWE A DEBT 5 THAT IS CURRENTLY DUE, you must pay the money to the Garnishor with 6 your response. You must send your payment to the Garnishor at the address 7 indicated on the writ under Important Addresses. Make your check payable 8 to the Garnishor.

9

10 IF YOU OWE A DEBT TO THE DEBTOR THAT WILL BECOME DUE 11 WITHIN 45 DAYS AFTER THE DATE YOU RECEIVED THE WRIT, you 12 must send your payment directly to the Garnishor at the address provided 13 in the writ when the debt becomes due. Make your check payable to the 14 Garnishor.

15

IF YOU ARE HOLDING PROPERTY THAT BELONGS TO THE 16 DEBTOR, OR OWE A DEBT TO THE DEBTOR THAT WILL NOT BECOME 17 DUE WITHIN 45 DAYS AFTER THE DATE YOU RECEIVED THE WRIT, 18 you must keep the property or debt in your possession, control or custody 19 until you receive written notice from the Sheriff. The Sheriff's notice will 20tell you what to do with the property or debt. If you have followed all of the 21instructions in the writ and you receive no notice from the Sheriff within 2230 days after the date on which you delivered your Garnishee Response, you 23may treat the writ as being of no further force or effect. 24

25

26 EXCEPTIONS:

27

<u>1. Challenge to garnishment or specific directions from court.</u> If you are
 making any payments under the garnishment and before making a payment
 you receive notice of a challenge to the garnishment from the court, or re-

ceive a specific direction from the court to make payments to the court, you 1 must send or deliver the payment directly to the court administrator. If the $\mathbf{2}$ money is currently due when you receive the notice, send the payment 3 promptly to the court. If the payment is for a debt that is payable within 45 4 days after you receive the writ, make the payment to the court promptly $\mathbf{5}$ when it becomes due. If you make payment by check, make the check payable 6 to the State of Oregon. Because you may be liable for any payment that does 7 not reach the court, it is better not to send cash by mail. 8

9 A challenge to the garnishment does not affect your duty to follow the 10 instructions you receive from the Sheriff for property that belongs to the 11 Debtor and debts that you owe to the Debtor that do not become due within 12 45 days.

13

2. Previous writ of garnishment. If you receive a second writ of 14 garnishment for the same Debtor from another Garnishor, the first writ will 15have priority and you need not make payments or deliver property under the 16 second writ to the extent that compliance with the first writ will reduce or 17 eliminate the payment of money or delivery of property that you would oth-18 erwise make under the garnishment. You must still deliver a Garnishee Re-19 sponse to the second writ, and must commence payment under the second 20writ as soon as the first writ is satisfied or expires. 21

22

<u>3. Offset for payment of underlying lien.</u> If you owe a debt to the Debtor and the Debtor owes a debt to the holder of an underlying lien on your property, you may be able to offset the amount payable to the underlying lienholder. See ORS 18.620.

27

28 <u>4. Subsequent events:</u>

29

30 (a) Bankruptcy. If you make your response and then discover that a vol-

untary or involuntary bankruptcy petition has been filed by or on behalf of 1 the Debtor after the judgment was entered against the Debtor or after the $\mathbf{2}$ debt otherwise became subject to garnishment (see date in writ), you may 3 not make any further payments or delivery of property under the writ unless 4 the court orders otherwise. If you have not delivered all property that is $\mathbf{5}$ subject to garnishment under this writ when you discover that a bankruptcy 6 petition has been filed, you must mail the following notice to the Garnishor 7 and to the Debtor. 8

9

"

17

18

19

20

22

(b) Order to withhold income. If you make your response and then receive an order to withhold income that has priority over the writ, you may make payments or deliver property under the writ only after payment of the amounts required under the order to withhold income. If you have not delivered all property that is subject to garnishment under this writ when you receive an order to withhold income that has priority, you must mail the following notice to the Garnishor and to the Debtor.

SUPPLEMENTAL GARNISHEE RESPONSE

21 TO: The Garnishor and the Debtor

RE: Writ of garnishment received _____, 2__ (date), in the case of (Plaintiff) vs. _____ (Defendant), Circuit Court of _____ County, Oregon, Case No. ____.

26

The undersigned Garnishee furnished a Garnishee Response to this writ of garnishment on _____, 2__ (date). Since that time (check appropriate statement):

30

I have discovered that a voluntary or involuntary bankruptcy petition has been filed by or on behalf of the Debtor after the judgment was entered against the Debtor or after the debt otherwise became subject to garnishment.

_ I have received an order to withhold income of the Debtor by reason 6 of a support obligation. Under ORS 25.375, the order to withhold in-7 come has priority over any other legal process under Oregon law 8 against the same income. The withholding of income pursuant to the 9 order to withhold income might reduce or eliminate subsequent pay-10 ments under the garnishment. (Provide details, including the name of 11 the agency serving the order to withhold, the date the order was 12 served on you and the amounts to be withheld.) 13

of Veterans Affairs, the United States Office of Personnel Management or the

[(b) Payments from a public or private retirement plan as defined in ORS
18.358;]

[(c) Public assistance or medical assistance, as defined in ORS 414.025, payments from the State of Oregon or an agency of the State of Oregon;]

[(d) Unemployment compensation payments from the State of Oregon or an agency of the State of Oregon;]

[(e) Black lung benefits payments from the United States Department of Labor; and]

[(f) Workers' compensation payments from a workers' compensationcarrier.]

30 (1)(a) If you receive a writ of garnishment for a Debtor who has an

account with your institution, you must first determine whether a
 Notice of Right to Garnish Federal Benefits from the United States
 Government or from a state child support enforcement agency, as
 provided in 31 C.F.R. part 212, accompanies the writ of garnishment.

(b) If a Notice of Right to Garnish Federal Benefits accompanies the
writ of garnishment, you must proceed with the garnishment in the
normal manner.

(c) If the writ of garnishment is attached to an attestation that a 8 9 debt arises out of a child support or spousal support obligation or a judgment that contains a money award of restitution, the base pro-10 tected account balance does not apply and you should not perform the 11 calculation provided by (1)(d), (2), (3), (5) and (6) below, but you must 12 perform a garnishment account review as provided in (4) and (7) below. 13(d) If a Notice of Right to Garnish Federal Benefits does not ac-14 company the writ of garnishment or the writ of garnishment is not 15

attached to an attestation that a debt arises out of a child support or spousal support obligation or a judgment that contains a money award that includes restitution, you must immediately determine the total amount in all of the accounts the Debtor has with your institution.

(2)(a) If, after making the determination in (1)(d) above, you find
that the total amount in all of the Debtor's accounts with your institution is less than or equal to the base protected account balance, as
defined in ORS 18.785 (1)(a), shown on the Oregon Judicial Department
website as exempt from garnishment:

25 (A) The Debtor's accounts are not subject to garnishment.

(B) You must provide full customary access to the Debtor's ac counts.

(b) As of the effective date of this 2024 Act, the amount that is not
subject to garnishment is \$2,500, but this amount is indexed to the
Consumer Price Index for All Urban Consumers, West Region (All

Items), as published by the Bureau of Labor Statistics of the United
 States Department of Labor or a successor agency, and may vary from
 year to year.

(3) If, after making the determination in (1)(d) above, you find that
the total amount in all of the Debtor's accounts with your institution
exceeds the base protected account balance shown on the Oregon Judicial Department website as exempt from garnishment:

8 (a) The base protected account balance is not subject to
9 garnishment.

(b) You must provide full customary access to the base protected
 account balance shown on the Oregon Judicial Department website as
 exempt from garnishment.

13 (c) You must conduct a garnishment account review.

(4) In a garnishment account review, you must determine whether 14 any of the following payments were made by direct deposit or elec-15tronic transfer to any of the Debtor's accounts with your institution 16 within the lookback period described in ORS 18.785 (2)(d) (the period 17 that begins on the date preceding the date of your garnishment ac-18 count review and that ends on the corresponding date of the month 19 two months earlier, or on the last day of the month two months ear-20lier if the corresponding date does not exist): 21

(a) Federal benefit payments as defined in ORS 18.600 (benefit payments from the United States Social Security Administration, the
United States Department of Veterans Affairs, the United States Office of Personnel Management or the Railroad Retirement Board);

(b) Payments from a public or private retirement plan as defined
in ORS 18.358;

(c) Public assistance payments or medical assistance, as defined in
 ORS 414.025, from the State of Oregon or an agency of the State of
 Oregon;

(d) Unemployment compensation payments from the State of
 Oregon or an agency of the State of Oregon;

3 (e) Black lung benefits payments from the United States Depart 4 ment of Labor; or

5 (f) Workers' compensation payments from a workers' compensation
6 carrier.

7 (5) If in the garnishment account review you determine that any 8 of the payments listed in (4) above were made by direct deposit or 9 electronic transfer to any of the Debtor's accounts with your institu-10 tion within the lookback period, you may not garnish, and must pro-11 vide full customary access to, the sum of:

(a) The base protected account balance shown on the Oregon Judi cial Department website as exempt from garnishment; and

(b) The amount by which the sum of all payments described in (4)
 above exceeds the base protected account balance.

(6) Any amount in the Debtor's accounts that exceeds the amounts
 described in (5) above is subject to garnishment and you must proceed
 with garnishment in the ordinary manner.

(7) If the writ of garnishment is attached to an attestation that a debt arises out of a child support or spousal support obligation or a judgment that contains a money award of restitution, you must provide the Debtor with full customary access to all payments listed in (4) above that were made by direct deposit or electronic transfer to an account within the lookback period the Debtor has with your institution.

26

If the Garnishor fails to pay the search fee required by ORS 18.790 and you do not employ the Debtor, you are not required to deliver a Garnishee Response and you may deal with any property of the Debtor as though the garnishment had not been issued. If the Debtor owes a debt to you that was due at the time you received the writ of garnishment, you may be able to offset the amount of that debt. See ORS 18.795. You must note that you have made the offset in Part I of the Garnishee Response (under "Other") and specify the amount that was offset.

6

Before making a payment under the writ, you may first deduct any processing fee that you are allowed under ORS 18.790. If you are required to conduct a garnishment account review, you may not charge or collect a processing fee against any amount that is not subject to garnishment, and may not charge or collect a garnishment processing fee against any amounts in the account after the date that you conduct the review.

13

You need not deliver any property contained in a safe deposit box unless the Garnishor pays you in advance for the costs that will be incurred in gaining entry to the box. See ORS 18.792.

17

If you are required to conduct a garnishment account review and you 18 determine from the review that one or more of the payments listed in ORS 19 [18.784 (3)] 18.785 (2)(c)(B) have been deposited into the Debtor's account 20by direct deposit or electronic payment during the lookback period described 21in ORS [18.784 (2)] 18.785 (2)(d), and that there is a positive balance in the 22account, you must issue a notice to the account holder in substantially the 23form set forth in ORS 18.847. The notice must be issued directly to the ac-24count holder or to a fiduciary who administers the account and receives 2526 communications on behalf of the account holder. The notice must be sent separately to the account holder and may not be included with other mate-27rials being provided to the account holder that do not relate to the 28garnishment. You must send the notice to the account holder within three 29 business days after you complete the garnishment account review. You may 30

1 issue one notice with information related to multiple accounts of a single2 account holder.

30		EXEMPTION CALCULATION FORM

If you employ the Debtor named in the writ of garnishment, you must fill 1 out and return this Wage Exemption Calculation form. A Wage Exemption $\mathbf{2}$ Calculation form must be sent with the first payment you make under the 3 writ. For the 90-day period during which the writ is effective, you must also 4 fill out and return a Wage Exemption Calculation form with a subsequent $\mathbf{5}$ payment any time the initial calculation changes. Finally, you must fill out 6 and return a Wage Exemption Calculation form with the final payment that 7 you make under the writ. 8

9

<u>Normal wage exemption.</u> The wage exemption calculation is based on the amount of the payment you make under the writ of garnishment. The normal wage exemption in Line 4 is 75 percent of the employee's disposable wages in Line 3.

14

Minimum wage exemption. The minimum exemption in Line 5 is also 15based on the amount of the payment you are making. The minimum ex-16 emption is designed to ensure that an employee receives at least a certain 17 minimum amount in any one-week period. [If the payment is for a one-week 18 period (without regard to whether the period is a calendar week or any other 19 seven-day period), the minimum exemption is \$254. The minimum exemption 20is \$509 if the payment is for a two-week period. If the payment is for one-half 21of one month (i.e., the Debtor is paid twice each month), the minimum ex-22emption is \$545. The minimum exemption for a monthly payment is \$1,090.] 23

If the payment is for a one-week period (without regard to whether the period is a calendar week or any other seven-day period), the minimum exemption is:

²⁷ \$254, if the wages are payable before January 1, 2025

\$305, if the wages are payable on or after January 1, 2025, and before
July 1, 2025

1 July 1, 2026

\$400, if the wages are payable on or after July 1, 2026, and before
July 1, 2027

If the payment is for a two-week period, the minimum exemption
 is:

14 **\$509, if the wages are payable before January 1, 2025**

\$611, if the wages are payable on or after January 1, 2025, and before
 July 1, 2025

²⁵ \$___, if the wages are payable on or after July 1, ____ and before ²⁶ July 1, ____. Note: The garnishor is required to insert the applicable ²⁷ years and wage exemption amount published on the Judicial Depart-²⁸ ment website pursuant to ORS 18.385 (3)

If the payment is for a one-half of one month (i.e. the Debtor is paid twice each month), the minimum exemption is: 1 \$545, if the wages are payable before January 1, 2025

\$655, if the wages are payable on or after January 1, 2025, and before
July 1, 2025

\$737, if the wages are payable on or after July 1, 2025, and before

12 \$____, if the wages are payable on or after July 1, _____ and before 13 July 1, ____. Note: The garnishor is required to insert the applicable 14 years and wage exemption amount published on the Judicial Depart-15 ment website pursuant to ORS 18.385 (3)

If the payment is for a monthly period, the minimum exemption is:
 \$1,090, if the wages are payable before January 1, 2025

\$1,309, if the wages are payable on or after January 1, 2025, and
before July 1, 2025

1 ment website pursuant to ORS 18.385 (3)

If the payment you are making is based on some period of time other than one week, two weeks, half month or month, and the payment is for more than one week, you must calculate the minimum exemption by multiplying [\$254 by] the minimum exemption for one week or less provided for in ORS 18.385 (2)(a) by the number of weeks covered by the paycheck, including any fraction of a week. You should round the amount calculated to the nearest dollar.

9

10[Example 1: You pay Debtor A every 10 days. Each 10-day period is11equal to 1.429 weeks (10 divided by 7). The minimum exemption is \$36312(\$254 × 1.429 rounded to the nearest dollar).]

13

[You <u>must</u> use this same calculation for computing the minimum exemption when making a payment for less than a full pay period (e.g., for the final payment at the end of the 90-day period covered by the writ).]

17

[Example 2: You pay Debtor A on a monthly basis. You are required to
 make a final payment under a writ of garnishment for the wages owing
 to Debtor A for the period beginning October 1 and ending October 15.
 This period is equal to 2.143 weeks (15 divided by 7). The minimum
 exemption is \$544 (\$254 × 2.143 rounded to the nearest dollar).]

23

[The amount of time actually worked by the Debtor during the period covered by the paycheck does <u>not</u> affect the calculation of the minimum exemption.]

 $\mathbf{27}$

[Example 3: You pay Debtor A on a weekly basis. Debtor A works two
 days per week. The minimum exemption is \$254 for each weekly payment
 you make for Debtor A.]

1 [If the payment you are making is based on a period of time less than one 2 week, the minimum wage exemption may not exceed \$254 for any one-week pe-3 riod.]

The amounts that are exempt from garnishment may change from year to year. You may view updated garnishment exemption limitations on the Oregon Judicial Department website.

7

8 If you receive more than one writ of garnishment. If you receive more 9 than one writ of garnishment for the same debtor, the writs have priority 10 based on the date on which you receive them. If the full amount of wages 11 subject to garnishment for a given pay period is paid on the first writ, you 12 should not make any payment on subsequently received writs until the first 13 writ expires. In some cases, it may be necessary to make payments on two 14 or more writs for the same pay period.

15

Example [4]: You have received two writs of garnishment for Debtor 16 A. You pay Debtor A on a monthly basis. The first writ expires on 17 October 16. The second writ will not expire until November 15. You 18 will need to prepare two wage exemption calculation forms for Debtor 19 A's October wages and make payments under both writs. The wage 20exemption calculation form for the first writ will be for the wages at-21tributable to October 1 to October 15 [as described in Example 2]. The 22wage exemption calculation form for the second writ will be for all 23wages for the month of October, but the amounts withheld under the 24first writ must be subtracted on Line 8 to determine the October wages 25subject to garnishment under the second writ. 26

27

12 If the payment you are making is based on a period of time less 13 than one week, the minimum wage exemption may not exceed \$254 for 14 any one-week period.

10 SPECIAL RULES APPLY FOR DEBTS THAT ARE OWED FOR CHILD 11 SUPPORT AND SPOUSAL SUPPORT. Some property that may not other-12 wise be taken for payment against the debt may be taken to pay for overdue 13 support. For instance, Social Security benefits, workers' compensation bene-14 fits, unemployment benefits, veterans' benefits and pensions are normally 15 exempt, but only 50 percent of a lump sum payment of these benefits is ex-16 empt if the debt is owed for a support obligation.

(1) Fill out the Challenge to Garnishment form that you received withthis notice.

(2) Mail or deliver the Challenge to Garnishment form to the court ad-23ministrator at the address shown on the writ of garnishment, and mail or 24deliver a copy of the form to the Garnishor at the address shown on the writ 25of garnishment. If you 27wish to claim that any other money or property is exempt, or claim that the 28property is not subject to garnishment, you must mail or deliver the form 29 within 30 days after you receive this notice. You have the burden of showing 30

that your challenge is made on time, so you should keep records showingwhen the challenge was mailed or delivered.

3 (3) The law only requires that the Garnishor hold the garnished money
4 or property for 10 days before applying it to the Creditor's use. You may be
5 able to keep the property from being used by the Creditor by promptly fol6 lowing (1) and (2) above.

7

You should be prepared to explain your exemption in court. If you have
any questions about the garnishment or the debt, you should see an attorney.
YOU MAY USE THE CHALLENGE TO GARNISHMENT FORM <u>ONLY</u>
FOR THE FOLLOWING PURPOSES:

(1) To claim such exemptions from garnishment as are permitted by law.
(2) To assert that property is not garnishable property under ORS 18.618.

(3) To assert that the amount specified in the writ of garnishment as be ing subject to garnishment is greater than the total amount owed.

 YOU MAY BE SUBJECT TO PENALTIES IMPOSED BY THE COURT
 THAT COULD INCLUDE A FINE. Penalties that you could be subject to
 are listed in ORS 18.715.

When you file a Challenge to Garnishment form, the Garnishee may be required to make all payments under the garnishment to the court, and the Garnishor may be required to pay to the court all amounts received by the Garnishor that are subject to the challenge to the garnishment. The Garnishee and Garnishor are subject to penalties if they do not. For a complete explanation of their responsibilities, see ORS 18.705 and 18.708.

19 "<u>SECTION 20.</u> ORS 18.847 is amended to read:

²⁰ "18.847. The notice given by a financial institution to a debtor under ²¹ ORS 18.785 [(1)] (3) must be in substantially the following form:

5 Why am I receiving this notice?

6

On _____ [date on which garnishment order was served], _____ [name of financial institution] received a garnishment order from a court to garnish funds in your account. The amount of the garnishment order was for [amount of garnishment order]. We are sending you this notice to let you know what we have done in response to the garnishment order.

12

13 What is garnishment?

14

Garnishment is a legal process that allows a creditor to remove funds from your bank/credit union account to satisfy a debt that you have not paid. In other words, if you owe money to a person or company, they can obtain a court order directing your bank/credit union to take money out of your account to pay off your debt. If this happens, you cannot use that money in your account.

21

22 What has happened to my account?

23

An amount specified by the Oregon Judicial Department is protected by law from garnishment under ORS 18.785. As of the date of this notice, that amount is ______. This means you have access to up to this amount from any and all of the accounts you have with us. If you owe a debt that arises out of a child support, spousal support or a money award that includes restitution, the protected amount specified by the Oregon Judicial Department does not apply. If your accounts with us have a total amount that exceeds the amount the Oregon Judicial Department has specified, we must research your account to determine whether certain payments you might have received were made to your accounts in the previous two months. The amount of those payments might be protected from garnishment.

(check if applicable) On _____ [date of account review], we 6 researched your account and identified that one or more payments identified 7 by ORS [18.784 (1)] 18.785 (2)(c)(B) have been deposited in the last two 8 months (see below for a list of qualifying payments). In most cases, these 9 payments are protected from garnishment. As required by state and federal 10 regulations, therefore, we have established a "protected amount" of funds 11 that will remain available to you and that will not be frozen or removed from 12 your account in response to the garnishment order. 13

14

15 (Conditional paragraph if funds have been frozen)

16

17 _____ (check if applicable) Your account contained additional money that 18 may not be protected from garnishment. As required by law, we have placed 19 a hold on or removed these funds in the amount of \$_____ [amount frozen] 20 and may have to turn these funds over to your creditor as directed by the 21 garnishment order.

²⁵ "(a) A notice of garnishment;

²⁶ "(b) A warrant, or a true copy of a warrant;

27 "(c) The items specified in ORS 18.650 (1)(b) to (d); and

²⁸ "(d) Any garnishee's search fee payable as provided in ORS 18.790.

"(2) A notice of garnishment may be issued by any person designated by the state agency or by the county tax collector. A warrant need not be re-

corded in the County Clerk Lien Record as a condition of issuing a notice
of garnishment under the provisions of this section. The provisions of ORS
18.800 do not apply to a notice of garnishment.

"(3) If any of the items described in subsection (1) of this section are not delivered to the garnishee, a notice of garnishment shall not be effective to garnish any property of the debtor, and the garnishee shall not be required to respond to the garnishment and may proceed to deal with any property of the debtor as though the notice of garnishment had not been issued.

"(4)(a) Notwithstanding ORS 18.652, but subject to paragraph (c) of this 9 subsection, a notice of garnishment and the other items required by sub-10 section (1) of this section may be delivered in person to the garnishee by any 11 employee of the state agency or of the county tax collector who is authorized 12 by the agency or the county to deliver the notice of garnishment, may be 13 mailed to the garnishee by first class or certified mail or may be sent to the 14 garnishee by other means if the garnishee has agreed to a different delivery 15method. 16

"(b) An employee who delivers documents under paragraph (a) of this subsection need not be covered by the errors and omissions insurance required in ORS 18.652.

"(c) A state agency or a county may not seek sanctions against a noncomplying garnishee under ORS 18.775 unless the notice of garnishment and the other items required by subsection (1) of this section are personally delivered to the garnishee under paragraph (a) of this subsection or mailed to the garnishee by certified mail.

"(5) Notwithstanding any provision of ORS 18.600 to 18.850, a debt cal culation form need not be prepared or delivered for any notice of
 garnishment.

"(6) Notwithstanding ORS 18.792, the duty of a garnishee to deliver any property of the debtor that may be contained in a safe deposit box that is in the garnishee's possession, control or custody at the time of delivery of

the notice of garnishment to the garnishee is conditioned upon the state 1 agency or the county tax collector first paying to the garnishee, in addition $\mathbf{2}$ to the search fee provided for in ORS 18.790, all reasonable costs incurred 3 by the garnishee in gaining entry to the safe deposit box. The costs shall be 4 paid to the garnishee by the state agency or the county tax collector at least $\mathbf{5}$ five days before the date the state agency or the county tax collector takes 6 possession of the property in the safe deposit box. If the state agency or the 7 county tax collector fails to pay such costs to the garnishee within 20 days 8 after the delivery of the garnishee response, the garnishment shall not be 9 effective to garnish any property of the debtor that may be contained in the 10 safe deposit box and the garnishee may proceed to deal with the safe deposit 11 box and its contents as though the notice of garnishment had not been is-12 Nothing in this subsection limits the rights of a state agency or sued. 13 county tax collector to reach the contents of any safe deposit box in any 14 manner otherwise provided by law. 15

"(7) Except as provided in this section and ORS 18.855 and 18.857, all provisions of ORS 18.600 to 18.850 apply to notices of garnishment. The state agency or county tax collector shall modify the forms provided in ORS 18.600 to 18.850 as necessary to allow use of those forms for notices of garnishment. The form of the notice of garnishment must clearly indicate that the document is a notice of garnishment and must reflect the date of all warrants on which the notice of garnishment is based.

"(8) The Attorney General may adopt without a rulemaking proceeding 23model forms for notices of garnishment and other documents issued by state 24agencies and county tax collectors under this section and ORS 18.855 and 2518.857. There is a presumption, as described in ORS 40.120, that any state 26agency or county tax collector that uses a model form adopted by the At-27torney General under this subsection has complied with the requirements of 28ORS 18.600 to 18.850, and with the provisions of this section and ORS 18.855 29 and 18.857, with respect to the form of notices of garnishment. 30

1 **"SECTION 22.** ORS 18.855 is amended to read:

"18.855. (1) Notwithstanding ORS 18.607, a notice of garnishment issued
by a state agency need not contain the name of a court whose authority is
invoked.

5 "(2) State agencies shall make such modifications as are necessary in the 6 wage exemption calculation form provided by ORS 18.840 if a notice of 7 garnishment is issued for a debt due for a state tax that is subject to the 8 provisions of ORS 18.385 [(6)] (8).

9 "(3) Notwithstanding ORS 18.625, but subject to ORS 18.618 (2), a notice 10 of garnishment issued by a state agency acts to garnish all wages earned by 11 the debtor by reason of services to the garnishee until the full amount of the 12 debt is paid or until the notice of garnishment is released by the state agency 13 or by court order. A notice of garnishment issued by a state agency must 14 contain language reasonably designed to notify the garnishee of the pro-15 visions of this subsection.

"(4) Notwithstanding ORS 18.690, a garnishee who receives a notice of garnishment issued by a state agency need not deliver a copy of the garnishee response to the clerk of the court, but must deliver the original of the response to the state agency.

"(5) Notwithstanding ORS 18.700, a challenge to a notice of garnishment 20issued by a state agency must be delivered in person or by first class mail 21to the state agency within the time specified by ORS 18.700 (2). Within 14 days after receiving 27the challenge, the state agency must either concede the challenge or give the 28person making the challenge opportunity for hearing. If the person making 29 the challenge requests a hearing, the agency shall immediately refer the 30

challenge to the Office of Administrative Hearings established under ORS
183.605. The hearing shall be conducted as soon as possible. Notwithstanding
ORS 183.315, the hearing shall be conducted as a contested case hearing. An
issue that was decided in a previous hearing, or for which the debtor was
previously afforded an opportunity for hearing, may not be reconsidered.

"(6) If a state agency is issuing a notice of garnishment for collection of 6 a state tax, and the state agency has reason to believe that the debtor in-7 tends to leave the state or do any other act that would jeopardize collection 8 9 of the tax, the state agency may issue a special notice of garnishment. Any earnings, as defined in ORS 18.375, garnished under a special notice of 10 garnishment are not subject to a claim of exemption under ORS 18.385. A 11 special notice of garnishment issued under this subsection garnishes only 12 that property of the debtor that is in the garnishee's possession, control or 13custody at the time the special notice is delivered, including debts not yet 14 due, and all wages owed by the garnishee to the debtor at the time the spe-15cial notice is delivered. A special notice of garnishment does not act to 16 garnish wages earned by the debtor by reason of services rendered to the 17 garnishee after the delivery of the special notice of garnishment. 18

"(7) A special notice of garnishment issued under subsection (6) of this section shall contain a statement indicating that it is a special notice of garnishment under subsection (6) of this section and a statement reflecting the provisions of subsection (6) of this section. Notwithstanding ORS 18.854 (1), a wage exemption calculation form shall not be delivered to the garnishee with a special notice of garnishment.

"(8) Notwithstanding ORS 18.854 (1)(b), the Department of Revenue is not
required to deliver a warrant or true copy of a warrant with the notice of
garnishment when garnishing property of a debtor.

²⁸ "(9) Notwithstanding ORS 18.607 (4):

"SECTION 28. ORCP 84 D is amended to read:

22 "<u>D Writ of attachm</u>ent.

"D(1) Issuance; contents; to whom directed; issuance of several writs. If 23directed by an order authorizing provisional process under Rule 83, the clerk 24shall issue a writ of attachment. Several 30

1 writs may be issued at the same time to the sheriffs of different counties.

² "D(2) <u>Manner of executing writ.</u> The sheriff to whom the writ is directed ³ and delivered shall note upon the writ the date of such delivery, and shall ⁴ execute the writ without delay, as follows:

"D(2)(a) Personal property not in possession of third party. Tangible $\mathbf{5}$ personal property not in the possession of a third person shall be attached 6 by taking it into the sheriff's custody. If any property attached is perishable, 7 or livestock, where the cost of keeping is great, the sheriff shall sell the 8 same in the manner in which property is sold on execution. The proceeds 9 thereof and other property attached shall be retained by the sheriff to answer 10 any judgment that may be recovered in the action, unless sooner subjected 11 to execution upon another judgment. Plaintiff's lien shall attach when the 12 property is taken into the sheriff's custody. 13

"D(2)(b) <u>Other personal property.</u> Tangible and intangible personal property in the possession, control or custody of or debts or other monetary obligations owing by a third person shall be attached by writs of garnishment issued by the clerk of a court or by an attorney as provided in ORS 18.600 to 18.850.

"D(3) Notice to defendant. The sheriff may meet the requirements of this sub-25section by mailing the documents to the last-known address of the defendant 26as provided by the plaintiff. The sheriff may withhold execution of the writ 27until the plaintiff provides such address or a statement that the plaintiff has 28no knowledge of the defendant's address. The sheriff shall have no duty un-29 der this subsection if the plaintiff provides a statement that the plaintiff has 30

1 collector knows or has reason to know that the debtor's employer prohibits 2 the debtor from receiving such communication. For the purposes of this 3 subparagraph, any language in any agreement, contract or instrument that 4 creates or is evidence of the debt and that purports to authorize telephone 5 calls at the debtor's place of employment does not give permission to the debt 6 collector to call the debtor at the debtor's place of employment.

The fact that the debt collector obtains a judgment for less than 21the amount sought in the complaint or fails to obtain a judgment at 22all does not by itself establish a violation of this paragraph. 23
