

From the Desk of:
KEVIN L. MANNIX
STATE REPRESENTATIVE
DISTRICT 21

HOUSE OF REPRESENTATIVES

Dear Members of the House Committee on Emergency Management, General Government, and Veterans:

I support HB4045. I am especially supportive of the provisions relating to district attorneys, police officers, and firefighters. I ask that you carefully consider the new class of hazardous positions which is proposed. If for any reason the committee has concerns about the provision, I encourage you to proceed with the remaining provisions of the bill.

Sincerely,

A handwritten signature in black ink that reads "Kevin L. Mannix".
