Measure: HB4148

Dear House Committee on Agriculture, Land Use, Natural Resources, and Water,

Please accept my comments on HB 4148 which would direct the State Dept. of Fish and Wildlife to expand programs related to wildlife disease. Thanks goes to Representative ken Helm for introducing this bill. I am a rural Oregonian who supports all efforts to protect our wildlife. This important bill will prevent human-wildlife conflicts, support wildlife rehabilitation efforts, reduce wildlife collisions, and respond to wildlife disease outbreaks.

Thank you in advance for using your authority to continue ODFW's mission of protecting and enhancing our habitat for fish and wildlife.

Sincerely,

Kat Balogh
