

Submitter: Thena Larteri Lyons

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure: SB1520

I oppose that the only way the taxpayer is exempt from Fire catastrophe is if the Governor declares an emergency.

What if the Governor could care less about a particular area of Oregon, ie: a small community hit hard by fire negligence by a dept.? She may choose to have this community contact FEMA for re-imbusement, such as what happened in Hawaii.

To trust a governor is to trust "Let's Make a deal"!
