Measure: HB4148

Thank you to Representative Helm for introducing HB 4148, the Omnibus Wildlife Bill. HB 4148 represents a wise investment in areas that are critical to protecting Oregon's wildlife. As wildlife comes under increasing pressure reducing conflicts, preventing the spread of invasive species, addressing disease outbreaks, and installing wildlife crossings in high hazard collision zones will only become more important--HB 4148 puts in place positive, proactive strategies to address these challenges.
