

Submitter: Robert Estes

On Behalf Of:

Committee: House Committee On Economic Development and Small Business

Measure: HB4124

For more than ten years as residents of California my family vacationed in Oregon. The Oregon Caves Chateau was a must-do attraction each year. Now, as a resident of Gresham, Oregon, I am closer to this jewel location and enjoy historical attractions statewide. I strongly support HB4142 to fund the preservation and restoration of historic cultural resources like these.
