

Submitter: Margaret Stephens

On Behalf
Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and
Water

Measure: HB4148

I appreciate Rep. Helm's introduction of this bill. Protecting Oregon's wildlife is very important to me. This bill's several components will go a long way in preventing collisions with wildlife on roads and other conflicts with wildlife, preventing the spread of disease in wildlife, and addressing invasive species that threaten Oregon's wildlife. Again, I strongly support this bill and encourage its passage.
