

Submitter: Eric Simpson
On Behalf Of: Human Beings for Gun Safety
Committee: Senate Committee On Judiciary
Measure: SB1503

Please stop the useless spending. We are Totally against violence, ALL violence, yet these 'Task Forces' are a means to take Tax Payers money and this, ESPECIALLY, will do Nothing for any Violence, especially concerning guns. It also does NOT seem fair in that only a prematurely chosen Side is represented...not unlike something our Dear President Trump would do. Another Group of people put together to Further Divide and Conquer The People. And Suicide Prevention? Really? We do NOT believe that one for a second! More lies to grab the money and do nothing with it other than WASTE it on more lies!

We are COMPLETELY Opposed to this ludicrous and Totally Bias 'force' as 'they' term it.
