Committee: House Committee On Judiciary

Measure: HB4156

On behalf of the Oregon Attorney General's Sexual Assault Task Force, I am writing to express our support for HB 4156. This bill will make important improvements to existing stalking law and will help to keep survivors of stalking and intersection crimes, including sexual and domestic violence, safer. The changes in this bill will include necessary updates to be inclusive of modern technology and the ways that it can be used to harass, intimidate, and stalk victims. I urge you to pass HB 4156. Thank you.
