

Submitter: Christine Anderson

On Behalf
Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and
Water

Measure: HB4060

We must protect the precious farmlands in Oregon. There are so many things that we invest in our budget, but this is something that is important for the future of Oregon. Farmers need support and the ability to access funding that allows them to make the right choice for their land and our collective future. Let's make Oregon more food secure. I urge you to support this.
