

Submitter: Robert Cuthbert

On Behalf Of: The definition of insanity

Committee: Joint Committee On Addiction and Community Safety Response

Measure: HB4002

How to stop crime?

10 days in jail. That didn't work.

30 days in jail. That didn't work.

1 year in jail. That didn't work.

5 years in jail. That didn't work.

25 years in jail. That didn't work.

Life in jail. That didn't work.

Education and treatment. That's starting to work.

But not fast enough. What do we do now?

10 days in jail. That won't work.

etc.

etc.

etc.

etc.

What's the definition of insanity? Doing the same thing over and over with the expectation of different results.

I urge you to please vote NO on HB 4002.

Sincerely,
Robert A. Cuthbert
