

Submitter: cameran murphy

On Behalf Of:

Committee: Joint Committee On Addiction and Community Safety Response

Measure: HB4036

As a professional working with young adults, some of my caseload are facing the battles of active addiction. More than any criminal charges or penalties, these young adults need easier and faster and low bareier access to treatment, with incentives to utilize the increased support I urge you all to fund and support. Criminalizing possession is not a deterrent or incentive for choosing a life off drugs. Please vote against criminalizing drug possession in Oregon.
