

Submitter: Jeffrey Pettit

On Behalf Of:

Committee: Joint Committee On Addiction and Community Safety Response

Measure: HB4002

Decriminalization needs support, funding, and effort. Not abandonment. Addiction is not a crime. Alcohol is more deadly. Fulfill what the bill promised — help people suffering. Fines don't help. A paper slip with a phone number is not nearly enough. Prisons are not treatment centers. Prisons destroy lives.

Get this done.
