

Submitter: Eslinger Martha

On Behalf Of:

Committee: Senate Committee On Education

Measure: SB1583

I do not support this bill please vote No!!!

This senate bill is a total over reach of the government, it takes away the school board and communities decision making abilities. No way should a small group of people make the decisions for all kids in these areas.

If this passes, be prepared to see a mass exodus of kids from the public school system that has already gone far enough on failing our kids education.
