

Submitter: Toby Maclauchlan
On Behalf Of: ALL CHILDREN
Committee: Senate Committee On Education
Measure: SB1583

Please do not pass this terrible bill. I am in favor of mental health assistance and awareness of differences in life preferences. I am totally against any kind of labeling of sexual preferences by a person that is untrained nor unaware of ALL potential risks and life long damages.

Teachers are trained to teach and lead not to make conclusions about OUR children's lifestyle choices.

The damages can be profound!!!

PLEASE do not pass this bill!!!!
