

Submitter: Jaimie Coppola
On Behalf Of:
Committee: Senate Committee On Education
Measure: SB1583

I am writing to oppose SB 1583 and ask you to vote no on this bill. Oregon ranks very low in the country in reading and math skills but we continue to focus on curricula that further political agendas rather than teach our students the essential skills to be successful (and competitive) as adults. Stop shoving political ideologies down our childrens' throats and focus on educating them on READING and MATH. Oregon is a national embarrassment, focusing more on political agendas than educational achievement. I urge you to vote no on this bill so that our kids won't be subjected to inappropriate and sexually explicit materials in their schools.
