

Submitter: betsy Call to Safety

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB4140

Please support this bill that will help create certainty for the stability of funding for critical survivor services across the state (confidential, culturally specific, Tribal Nation, and community based trauma informed safety services) provided by ODSVS and SHF.

Our ODSVS funding and SHF are crucial, and their flexibility adds immense capacity to our leadership and case management team.
