

Submitter: Julie Entrekin

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure: SB1537

Right now, a wholesale disregard for Oregon's land use laws is written into SB 1537 in the form of UGB expansions. We can't get behind a bill that disregards Oregon's land use laws.

This provision that bypasses our land use laws is unnecessary, and the bill will be stronger without it.
