

Submitter: Susan Phillips  
On Behalf Of:  
Committee: House Committee On Judiciary  
Measure: HB4121

This bill is not at all helpful for license holders who may wish to sell their licenses beyond January 1, 2025.

It would be more in line with the reality of the larger clusters of licenses being in Southern Oregon to make a statewide assessment and to just extend the moratorium on new license applications for 2-3 years- or better yet -forever
