Committee: House Committee On Behavioral Health and Health Care

Measure: HB4130

Chair Nosse and members of the committee,

Please support HB 4130 on the Corporate Practice of Medicine to help safeguard patient interests and physician independence.

As a tax payer of the great state of Oregon I want to be assured that we do not loose more hospitals as we have in Eugene. Eugene and the surrounding areas have lost an emergency care center , one that my family has benefitted for years. All my kids were delivered at Sacred Heart Hospital and I had my healed repaired there. I hope we can keep other health facilities from leaving the area by supporting this House Bill 4130.

Thank you,
Raudel Perezchica
