

Submitter: Nick Staub

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB1503

I oppose any infringement of a constitutional right. Especially when every member of the committee shares the exact same stance on the issue to begin with. It is impossible to not be influenced by "group think" when you structure a committee this way. John F Kennedy said, "If everyone is thinking alike, then no one is thinking at all." I oppose the entire concept of this task force, but sincerely hope you at least attempt to get some different viewpoints on the committee.
