

Submitter: john lawrence

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB4097

Please support HB 4097. We need to clear a path to expungement, which will help Oregonians who are negatively affected by their past. We know that a person's record can prevent them from obtaining employment, housing, and more. It is inhumane to continue punishing individuals for their past when all other requirements have been met.

Thank You
