

Submitter: Cathy Rackham

On Behalf Of:

Committee: Joint Committee On Addiction and Community Safety Response

Measure: HB4002

I urge you to repeal measure 110. This measure doesn't work. Drug use and crimes related to the increase in drug usage are up since this measure took effect. Vote to get rid of this measure. It Can't be fixed.

Regarding HB4002, I urge you to vote down this vaguely written bill. It is unnecessary!

No on 110
