Committee: House Committee On Gambling Regulation

Measure: HB4051

I have watched all the poor do gooders, in this State, do nothing but cause problems by trying to close down things they know nothing about. If they do not wish to gamble on the greyhounds or horses then no body is forcing them. If there is going to be a law against gambling, then let's stop gambling, on everything, in the State of Oregon, not just the ones the do gooders object too. It is ridiculous that this State legalizes dope & narcotics but wants to abolish gambling.
