Please pass SB 1503

I have a child that was the same age as the Newtown 1st graders when they were so horribly gun down in their own school. I have been deeply affected by the endless lockdowns and lockouts at my children's schools ever since.

There is so much crime and gun violence these days and other states have begun to address these issues with some success (I believe Connecticut is one of them.) It's time for Oregon to look for similar solutions.
