

Submitter: Robin McCurdy

On Behalf  
Of:

Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure: HB4044

I am a resident of Linnton which is directly impacted by the storage facilities of the CEI hub. We all know that a large earthquake will cause massive destruction. Please support this study so responsible governments, businesses, and non-profits can have enough data to plan ways to ensure safety for us all.
