

Submitter: Kelley Albrecht  
On Behalf Of: Self  
Committee: Senate Committee On Energy and Environment  
Measure: SB1596

So much is wasted which need not be. With the passage of SB 1596, we can more easily repair our devices and reduce the prodigious electronic waste stream. More often than not, a simple repair can get a device working again. Help Oregonians save their hard-earned money. Thank you for your consideration.
