

Submitter: Susan Haywood

On Behalf
Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure: HB4044

We all know that we are at risk for a destructive earthquake. Please support this study so that responsible entities, including governments, businesses, and non-profits, have enough data to formulate a plan for our safety in the event of disaster. Thank you for being safe rather than sorry. Let's hurry, just in case!
