

Submitter: Jane Jeffries

On Behalf
Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure: HB4044

“We all know that a large earthquake will come to Oregon that will cause massive destruction. Please support this study so responsible governments, businesses and non-profits can have enough data to plan ways to ensure safety for us all.” Do what you can, and pass this on to others ASAP. In solidarity, Emily
