

Submitter: ELIZABETH Delmatoff

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB4097

Trying to help my son in law find housing, work, etc is very difficult. While incarcerated he did all of the options to improve his life. He got his GED, took a parenting class, anger resolution course, skills courses, resigned from a gang, etc. This hard work over three years did nothing to improve his opportunities once out.
