Committee: House Committee On Gambling Regulation

Measure: HB4051

Dear Committee,

I am forever appalled by the lack of humane feeling people have for other living creatures. I cannot understand how they can gain enjoyment from the suffering of others--specifically betting on greyhound dogs in racing. These gentle dogs suffer horrific injuries and terrible confinement in cages all for the entertainment of people. Their cages are stacked and they have little ability to stand or move. I cannot imagine in good conscientiousness people can allow for this--and in my state of Oregon. I am in favor of HB 4051, stopping this betting, including on the internet. I am seventy-four years old and wish in my life time that at least my state of Oregon supports humane practices toward other living creatures. I'd like to see the end of greyhound racing.

Sincerely,

Hillary Tiefer
