On Behalf Of:
Committee: Senate Committee On Judiciary
Measure: SB1503

I am writing this testimony to oppose SB1503.

As an American citizen who has given blood sweat and tears to the defense of the people of the United States of America, I oppose ANY legislation that restricts constitutional rights.

This bill is a step in that direction. A committee would be likely formed of ill informed members who have the only desire to restrict rights of law abiding citizens. No laws will ever prevent criminals from committing crimes. The effort to make law abiding citizens into criminals must be stopped immediately, and that begins by eliminating SB 1503

The entire process is wasting our money and clearly attempting to facilitate the restrictions on our constitutional freedoms.
