

Submitter: victor odlivak

On Behalf
Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and
Water

Measure: HB4090

I support this bill BUT IT MUST have the amendment, HB 4090-1 by Rep. Fahey
(lead sponsor) proposed on Feb. 5th:

<https://olis.oregonlegislature.gov/liz/2024R1/Downloads/ProposedAmendment/25530>

On page 3 of the printed bill, line 33, after “that” insert a colon and begin
a new paragraph and insert “(I)”.

In line 34, after the semicolon insert “and
“(II) Is not a nuclear power plant;”.

In other words I support the bill but only with the amendment from Rep. Julie
Fahey as outlined above.

Her amendment will assure that No Nuclear Power Plant of any kind will
be built in Oregon... Regardless of its size. Small Scale Nuclear Power
plants are STILL FORBIDDEN!

thank you for listening to the people.
