

Submitter: C GROVES

On Behalf Of:

Committee: House Committee On Gambling Regulation

Measure: HB4051

I do NOT want these docile greyhounds to be abused, one second longer in this supposed "sport!"

These poor creatures are given many types of drugs, spend a majority of their lives sitting in filthy wire cages, they are given non-nutritional and spoiled slop for "food"

and they risk their lives and limbs on the race tracks.

This inhumane treatment needs to be stopped...yesterday!
